

Remarks

In response to the Notice of Non-Compliant Amendment dated May 31, 2005, Applicants have submitted herewith a corrected claim listing.

Applicants have also included herewith a copy of an Assignment for this application from Pentron, Inc., to Pentron Ceramics, Inc. The Assignment is being recorded under separate cover. In particular, the Assignment lists U.S. patent no. 6,354,836 and covers all divisionals thereof. Therefore, the present application, which is a divisional of the 6,354,836 patent, is covered under this Assignment.

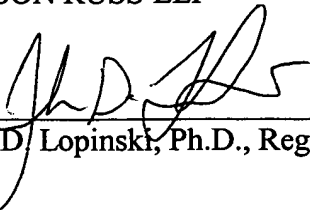

Also enclosed is a Revocation of Power of Attorney and Appointment of New Attorney authorizing the undersigned to prosecute this application before the United States Patent and Trademark Office.

Conclusion

Based on the corrected claim listing submitted herewith, and the Remarks and Formal Drawing submitted with the Response of March 9, 2005, Applicants believe that this application is now in a condition for allowance and therefore respectfully request the Examiner to allow all the pending claims.

It is believed no fee is due with this communication. If however, that is incorrect, any fee due may be charged to Deposit Account No. 08-2442.

Respectfully submitted,
HODGSON RUSS LLP
